

Medical Care Authorization and Consent for Treatment

Patient Legal Name _____ Date of Birth _____
(PRINT)

Preferred Name _____ Parent/Legal Guardian _____
(PRINT) (PRINT)

I hereby authorize Grace Health to give me reasonable and proper medical/dental care, which may include telemedicine services, by today's standards. I authorize direct payment of insurance benefits to Grace Health and other entities providing services ordered by Grace Health, realizing I am responsible for any unpaid balance. I authorize the release of medical information to the Centers for Medicare & Medicaid Services and its agents, to my insurance company for billing purposes, to other health care providers for continued treatment, and other entities providing services ordered by Grace Health, understanding that this may include records of treatment for substance use; mental health treatment, including psychotherapy notes; or testing, care, treatment or reporting pertaining to infection with HIV or related diseases.

Authorization for Disclosure of Medical Information:

I authorize Grace Health to disclose medical information with the following person(s) as indicated below:

- _____ Verbal Written
- _____ Verbal Written
- _____ Verbal Written
- _____ Verbal Written

I do not wish to add any additional people for disclosure of my medical information.

Consent for Treatment – Minor or Legal Ward:

Legal/biological parent(s) or guardian(s) can already seek treatment for the patient.

I authorize the following person(s) (18 years or older) to seek medical care for my child or legal ward (listed as the patient above) when I am unable to do so and understand that by allowing them to seek care for the patient, this includes, but is not limited to obtaining prescriptions, consenting for immunizations, medicines, and procedures, and that all medical information, verbal and written, may be revealed and discussed with them:

I do not authorize any non-legal guardian or person(s) to consent for medical treatment for the named patient.

I understand the information being disclosed may include medications, test results and treatment plan, including treatment for mental health, substance use and testing or treatment for HIV or AIDS. Once the information is disclosed, it is not protected under federal privacy rules, so there is a possibility it may be redisclosed by the person receiving the information.
